Re: Uptown Permission Form

Dear Parent/Guardian:

When a student arrives at school in the morning, he/she must remain on school property, under staff supervision, until dismissal. This includes remaining at the school over lunch hour.

If you wish to give your child permission to leave school property during the lunch hour (11:45 a.m.-12:25 p.m.), please complete and return this letter. Please note that there is no supervision off school property. Please ensure that your child understands your expectations during this time (i.e. where your child is allowed to go, what they are allowed to do, etc.)

Here are the schools expectations for students who have parental permission to leave school property at noon:

- be up to date with all homework and assignments
- check in and out in the sign out book
- follow all rules in the Parent/Student handbook

A student who does not demonstrate these expectations risk losing their privilege to leave the school property and will be required to remain at school, under staff supervision, over the lunch hour.
