Events in September:

Well this month was really busy! We had a lot of fun in the school. High School students participated in Zones and Provincials in Golf, soccer fun days were a huge success for grade 1-6's and we had a visit from Frisbee Rob, who taught us about kindness, determination and a growth mindset.

Communications

In the event of a student absence please notify the office, by calling 780-525-3733 at the school. If there is a change in plans for rides home, clubs, or pickups, please notify the office or students will be only allowed to go home their usual route.

Quick Note: Students will not be allowed cell phones during class times, as it is a distraction to their own and others learning. If you need to get a hold of your child for an emergency please call the office. Students will be permitted to check their devices at breaks.

If you would like to come into the

school and volunteer or organize a hot lunch please call the office for more

Unplug Challenge From Frisbee Rob.

Frisbee Rob also sent a challenge home for parents and students to try called the unplugged challenge. More information will be sent out about this challenge by classroom teachers and one lucky person will be entered to win Frisbee Rob's Trick Frisbee.

Ayva Bossel, (Boyle School) Justine Kononchuk (Grassland) School and Sarah Murphy (JAWS)
