Re: School Walking Trip Permission Form

Dear Parent/Guardian;

Your child will be involved in a variety of activities, which involve the student leaving the school grounds on foot. Rather than sending home a permission slip for every activity, we are asking you to complete this annual permission form which will cover all neighborhood activities that do not require transportation by vehicle.

Examples of walking field trips:

- Nature walks in Science Class
- Volunteer work (pierogi making or setting up for hall events)
- Christmas Concert practise/set up at Grassland Hall)
- Physical Education activities

- Yes, my child \_\_\_\_\_ has permission to participate in walking field trips off the school grounds during the 2024/2025 school year. I understand students will be supervised at all times.
- No, my child cannot participate in off site activities.
- I would like to be informed via SWIFT text each time my child leaves the school.
